Processed in Bavaria.

By Appointment.

Cultushafen. Duisburg, one of the most ancient towns on the Rhine, is a rapidly increasing manufacturing town and commercial centre, with a University established in 1665. It is connected by a canal with the Rhine and the Ruhr, and possesses fine docks, quays, and accommodation for the annually increasing shipping traffic. At the Cultushafen situated in the older portion of the town, the railway runs to the dock-side thus increasing the facilities.
